

WEST LONDON FENCING

Fencing and landscaping contractors

Why choose West London Fencing Ltd

- Trustworthy, friendly and reliable, fencing and landscaping company.
- We cover West, Central, North and South London as well as surrounding Home Counties.
- Free no obligation quotations
- We specialise in fencing work and are therefore able to offer the most competitive rates. We can supply and install any type of fencing you require.
- Our team prides itself on quality workmanship at all times. Please [click here](#) to see our customer charter.
- All work undertaken is provided with a full 5 year structural guarantee*.
- We also offer landscaping services including paving, decking and turfing. All our staff are trained and experienced in the wider landscape and construction sector and are therefore fully equipped to deal with the unexpected or manage any additional landscaping requirements you may have such as laying a patio, re-turfing your lawn, or erecting a shed on a concrete base.
- We have excellent feedback from previous clients on Checkatrade.com. We pride ourselves on 100% accurate invoice history and are marked very highly in all other aspects of our work.
- Our materials are high quality and all timber comes pressure treated already meaning you don't need to apply any treatment yourself. Our posts are sunk approximately 600mm into the ground and concreted.
- West London Fencing holds Public Liability Insurance up to £1,000,000.
- Risk assessments and method statements available at your request

* Every new fence installed by West London Fencing comes with a written 5 year guarantee from the date of completion. This covers all structural aspects of the fence however we cannot guarantee aesthetics as timber is a natural product that can be liable to crack, warp, wane, shrink and split when immediately exposed to elements or gradually over some time.
